## BOSCH AA LAUNCHES ONLINE CATALOGUE

<http://www.boschecat.com.au>

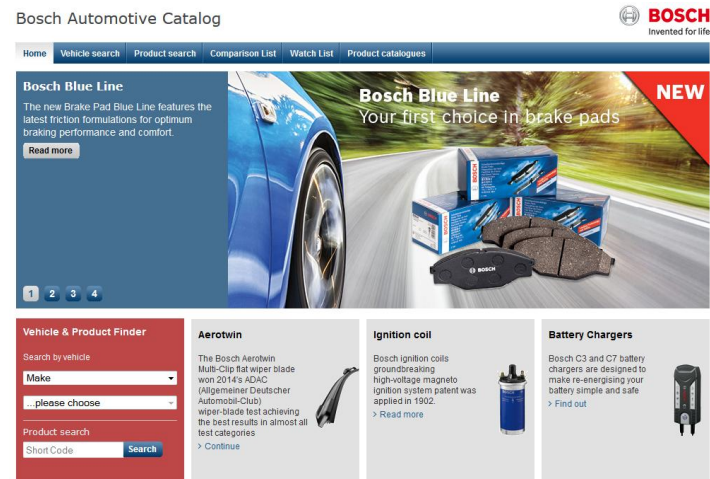

The new interactive Bosch Catalogue (Bosch eCat) contains available automotive parts in Australia & New Zealand.

### It allows for:

- Quick and reliable vehicle application search in a single destination
- Three levels of product search -
  1. Short code
  2. Bosch order number
  3. OE/Competitor cross-reference numbers
- Find out about the latest product promotions, launches and Bosch Automotive news
- Compare product specs back-to-back
- Save your product to a watch list to print or view later
- Download PDF catalogues for different product categories

### Benefits:

- ✓ Confidence in the accuracy of data
- ✓ Time saving
- ✓ Best relevant Bosch product to market
- ✓ Keep up-to-date with releases and news
- ✓ Stay involved with Bosch activities
