

JAS OCEANIA GEELONG BRANCH IS NOW OPEN.

JAS Oceania are delighted to announce the opening of their 28th site in Geelong, Victoria. Located in Bell Park (North Geelong), the Branch will service Greater Geelong, Outer Western Suburbs of Melbourne and South Western Victoria.

Geelong Branch will be fully stocked with fast moving starter motors, alternators along with workshop consumables, lighting and accessories. Adding to their already comprehensive range of parts and accessories, JAS will be injecting key products from their massive range expansion of over 500 new air conditioning compressors, condensers, evaporators and cooling fans.

Managing the new site is Colin Ruddle who brings over 20 years of experience in the automotive and heavy vehicle industry.
