

NEW PRODUCT RELEASE

Introducing the all new GoBlock Transit Bag from REDARC. A protective, travel-friendly cover designed specifically for the REDARC GoBlock.

Made with ultra-durable polyester oxford material, the GoBlock Transit Bag provides extra protection for the GoBlock while out in the elements. Rubber feet provide additional durability but also mitigate damage from impacts and rough surfaces.

Handy front and side pockets are perfect for storing cables or devices while they're being charged.

Take your GoBlock's durability to the next level with the GoBlock Transit Bag.
