

FEATURES

- Multi-volt 10-30V DC input & low current draw
- 100,000 hour LED lifespan with solid state technology
- Maintenance free
- High impact ABS housing & sealed polycarbonate lens
- Water, dust, vibration & shock proof
- Supplied pre-wired with 300mm sheathed tinned cable
- Simple rear bolt mount design
- ADR/ECE approved for all functions

ROADVISION's BR30 Series licence plate lamps deliver everything you need... Brighter, safer, stronger, easier to fit, longer lasting and better looking.

Roadvision's super bright BR30 Series LED licence plate lamps deliver the durability of maintenance free LED technology. Available with black housings with a twin rear bolt mount design hiding any mounting hardware. Roadvision's BR30 Series licence plate lamps produce more light output than incandescent lamps whilst drawing a fraction of the current. Couple this with unbreakable polycarbonate lenses and an extremely tough housing manufactured from high impact ABS, these lamps, are dust & water proof and totally maintenance free, with a life span rated at 100,000 hours. With ROADVISION it's FIT and FORGET.
