NEW PRODUCT RELEASE

REDARC have released a range of mounting brackets designed to mount REDARC fixed solar panels to the most common roof rack options available on the market.

The kits provide an adjustable, secure method of mounting your panels to the roof racks.

The brackets are made of high quality stainless steel and powder-coated black for a professional look.

Each kit contains the mounting bracket set (4 pieces), along with the required mounting hardware to fasten the panel to the bracket and the bracket to the roof rack.

SPMB0001	To suit Rhino Rack Vortex & Heavy Duty rack
SPMB0002	To suit ARB Base rack
SPMB0003	To suit Rhino Rack Pioneer/Universal
SPMB0004	To suit Unistrut & Ezystrut Plan channel systems
