

BR11 SERIES

ROADVISION™

FEATURES

- Multi-volt 10-30V input & low current draw
- Brighter than conventional incandescent systems
- 100,000 hour LED life span with solid state technology
- Water and dust proof to IP67
- Vibration resistant
- Polycarbonate lens & rubber mount
- Supplied pre-wired with 200mm sheathed cable
- Maintenance free
- Compact body allows fitment into tight applications
- Simple flush mount design

LED CLEARANCE LAMPS

ROADVISION's BR11 Series marker lamps offer the complete package... Brighter, safer, stronger, easier to fit, longer lasting and better looking! If you're Looking for a little extra bling for your prized rig, Roadvision's compact, flush mount, super bright BR11 Series marker lamps deliver the durability of maintenance free LED technology, and greater visibility providing improved safety. ROADVISION's BR11 Series marker lamps produce more light output than incandescent lamps whilst drawing a fraction of the current. Couple this with unbreakable polycarbonate lenses, these lamps are water and dust proof, and totally maintenance free, with a lifespan rated at 100,000 hours. With ROADVISION it's FIT and FORGET.
