

A12-0039

ROBINAIR

Refrigerant Recovery Unit - Minimax With Oil Separator

Minimum size - Maximum Performance
Recovers all commonly used CFC, HFC, HCFC Refrigerants
Oil-Less compressor for Liquid & Vapour recovery
Self Purge Feature
Inc's Oil Separator
Inc's Filter Drier

220 - 240v (50Hz)
1/2 Hp Direct Drive Brushless Motor
550 psi cut out switch
430mm x 280mm x 230mm -12.7kg

Filter: A12-0014
Pressure Switch: A12-0041

A12-0050

ROBINAIR

Recycle Kit with Cylinder

Converts A12-0039 to Full Recovery, Recycle Unit

Inc's Oil Separator, Recycle Kit
20kg Cylinder, Manifold & Hose Set

A12-0042

ROBINAIR

Refrigerant Recovery Unit Suits R1234yf

Low Side R134a & R1234yf Coupler and hose supplied
Oil-Less compressor for Liquid & Vapour recovery
Self Purge Feature
Ignition Proof Components

220-240v (50Hz)
1/2 Hp Direct Drive Motor
3 Row Condenser
80% Tank Full Shut Off
330mm x 228mm x 482mm -14.5kg

Requires 2 x A18-4983 for R134a Use
Filter: A12-0013

A12-601HD

ariazone
