

# Truck & Trailer Load Resistors

## Low Voltage Load Resistors

- Load Resistor
- Twin blister pack

A black cylindrical load resistor with a mounting bracket on one end and two wires on the other. The text "LOW VOLTAGE 12V LOAD RESISTOR" is printed on the side.

**LOW VOLTAGE**

| Part No. | Voltage |
|----------|---------|
| LV0490   | 12V     |
| LV0491   | 24V     |

## LED Autolamps Load Resistors

- Load Resistor
- Twin blister pack

A black cylindrical load resistor with a mounting bracket on one end and two wires on the other. The text "LED Autolamps 12-volt Load Resistor" is printed on the side.

**LED autolamps**

| Part No.   | Voltage |
|------------|---------|
| E72-LR12/2 | 12V     |
| E72-LR24/2 | 24V     |
