

SINGLE PACK/KIT

500A BLUETOOTH BATTERY MONITOR KIT

- Ideal for camper trailers, caravans, 4WD canopies & boats
- the ability to control & monitor via Bluetooth
- Easy to read display
- Easy fitment
- Multi-chemistry compatible (AGM, Gel, Lithium)
- Kit includes shunt, monitor & cables

PROJECTA

PRODUCT INFORMATION

Part No.	Input Voltage	Max Current	Continuous Output	Dimensions
BM500-BT	7-95V	500A	700W	137 x 123 x 40mm

9-17V 50A DC - DC CHARGER WITH ADJUSTABLE CURRENT

- 50A Non-Isolated DC-DC Charger
- Adjustable charging current
- Built-in Smart Bluetooth
- Smart alternator compatibility
- Adaptive 4-stage charge algorithm
- Low temperature shutdown & input under voltage protection
- Remote on/off
- Comprehensive electronic protection
- Unlimited number of units can be connected in parallel
- Operating temperature: -20°C to +60°C
- Types: WET, CA, AGM, GEL, LiFePO4
- IP rating: IP65
