

LED Marker Lamps

FEATURES

- Multi-volt 10-30V input & low current draw
- Brighter than conventional incandescent systems
- 100,000 hour LED life span with solid state technology
- High impact ABS housing & sealed polycarbonate lens
- Water and dust proof
- Vibration resistant
- Supplied pre-wired with 2.5m of sheathed tinned copper cable
- Compact body allows fitment into tight applications
- Separate clip in lenses and surface mount bases
- Easy 2 wire installation
- ADR/ECE approved for all functions
- Optional chrome dress-up bracket
- Available in single or bulk packs (Amber/Red)

ROADVISION's BR5 Series marker lamps offer the complete package... Brighter, safer, stronger, easier to fit, longer lasting and better looking! Roadvision's super bright BR5 Series marker lamps deliver the durability of maintenance free LED technology, and greater visibility providing improved safety. ROADVISION's BR5 Series marker lamps produce more light output than incandescent lamps whilst drawing a fraction of the current. Couple this with unbreakable polycarbonate lenses and an extremely tough housing manufactured from high impact ABS, these lamps are water and dust proof, and totally maintenance free, with a lifespan rated at 100,000 hours. With ROADVISION it's FIT and FORGET.
