

Product Release

POWERCON

50 WATT SOLAR PANEL BLANKET

- 50 Watt Monocrystalline Technology
- Highly efficient monocrystalline technology.
- Ideal for caravanning, camping, boating and other outdoor activities.
- Includes 5M battery clamp cable and 7A/12V smart PWM controller for charging protection.
- Foldable bag design with carry handle and storage pocket.
- Panel Dimensions: Unfolded 1610mm x 325mm x 4mm, Folded 360mm x 325mm x 30mm.
- Weight 3kg
- 2 year warranty

100 WATT SOLAR PANEL BLANKET

- 100 Watt Monocrystalline Technology
- Highly efficient monocrystalline technology.
- Ideal for caravanning, camping, boating and other outdoor activities.
- Includes 5M battery clamp cable and 10A/12V smart PWM controller for charging protection.
- Foldable bag design with carry handle and storage pocket.
- Panel Dimensions: Unfolded 1720mm x 664mm x 6mm, Folded 380mm x 340mm x 80mm.
- Weight 5.4kg
- 2 year warranty

Product Release

POWERCON

110 WATT FOLDING SOLAR PANEL

- 110 Watt Monocrystalline Technology
- Highly efficient monocrystalline technology.
- Ideal for caravanning, camping, boating and other outdoor activities.
- Foldable design and carry handle.
- Angle adjustable support legs to maximise solar output.
- Maximum Power Voltage: 17.8V
- Open Circuit Voltage: 22.5V
- Includes carry bag with storage pocket, 5M battery clamp cable and 10A/12V smart PWM controller for charging protection.
- Panel Dimension: Unfolded 1052mm x 664mm x 35mm, Folded in bag 524mm x 664mm x 75mm.
- Weight 11kg
- 2 year warranty

160 WATT FOLDING SOLAR PANEL

- 160 Watt Monocrystalline Technology
- Includes carry bag with storage pocket, 5M battery clamp cable and 10A/12V smart PWM controller for charging protection.
- Highly efficient monocrystalline technology.
- Angle adjustable support legs to maximise solar output.
- Foldable design and carry handle.
- Ideal for caravanning, camping, boating and other outdoor activities.
- Maximum Power Voltage: 18.1V
- Open Circuit Voltage: 22.4V
- Panel Dimension- Unfolded 1338mm x 758mm x 35mm, Folded in bag 758mm x 664mm x 75mm.
- Weight 15.5kg
- 2 year warranty
