

A12-901A

Semi Automatic Mobile Charging Station - R134a

Big Machine Expertise, Compact Mobile Sizing

Semi Automatic Refrigerant Recovery, Evacuation & Recharging
Ideal For Agricultural & Earthmoving Industries
Robust Powder Coated Steel casing
Quick, Simple Operation
Optimised Internal Design for Ease of Servicing
Inc's Service Hoses and Couplers
Inc's Scales & Recovery Cylinder
Auto Service Interval Indicator

220-240v (50-60Hz)
Vacuum Pump: 50 L/min
Scales: 60kg
Liquid Recovery: 250g/min
430mm x 400mm x 450mm - 32.5kg (plus Cyl)

ariazone

A12-8001

Semi Automatic Commercial Charging Station - R134a

Heavy Duty Machine for Bus and Heavy Transport Use

Semi Automatic Recovery, Recycle & Recharge Function
Thermal Printer
High Volume Recovery Pump
2 Stage Vacuum Pump
Liquid Charge Pump for Efficient Recharge Times
Sturdy All Steel Chassis Construction
Powder Coater Casing
Cylinder Overfill Protection
A12-8000SK - Service Kit

220-240v (50-60Hz)
Vacuum Pump: 2 Stage 170 L/min
Liquid Recovery: 1200g/min
Cylinder: 45kg
660mm x 840mm x 1080mm - 166kg
