

NORMALLY OPEN RELAYS

**3076**

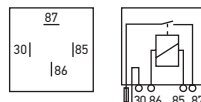

Normally Open Relay with Inbuilt Fuse - 4 Pin, 12V DC

Voltage 12V DC

Current Draw 140mA

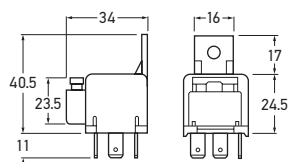

Amperage 25A with 25A fuse.

Pin & Wiring

Note

For common pin designations, refer to page 395

**3077**

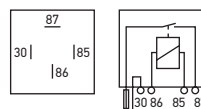

Normally Open Relay with Inbuilt Fuse - 4 Pin, 24V DC

Voltage 24V DC

Current Draw 80mA

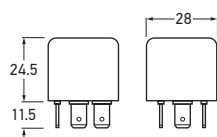

Amperage 15A with 15A fuse.

Pin & Wiring

Note

For common pin designations, refer to page 395

**3053**

Normally Open Relay with Diode - 4 Pin, 12V DC

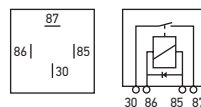

Voltage 12V DC

Current Draw 140mA

Amperage 40A

Protection Diode

Pin & Wiring

Note

For common pin designations, refer to page 395
