

ROADPOWER™

OEM

SWITCH RANGE

FACTORY STYLE SWITCHES
WITH ILLUMINATED SYMBOLS

- MULTIPLE FASCIA DESIGNS AVAILABLE
- WIRING HARNESS INCLUDED
- BACKLIT ILLUMINATION COLOUR TO MATCH YOUR VEHICLES INTERIOR
- ALSO AVAILABLE IN USB & RJ45 PASSTHROUGH

It's now even easier to achieve a professional, clean factory finish with the Roadpower range of OEM style switches. Illuminating red, orange, blue, or green to match your original dash lighting, these switches are designed to replace genuine switch blanks with popular switch functions, including driving lights, light bars, work lights, USB chargers, RJ45 passthroughs, and more. With laser-etched symbols and multiple fascia designs to choose from, Roadpower OEM style switches with supplied wiring harness allow aftermarket accessories, including USB chargers and RJ45 passthroughs, to be easily fitted to a wide range of popular 4WD vehicles.
