

THE POWER OF
REDARC®

REDARC Lithium Batteries

AVAILABLE IN 60AH, 100AH
AND 200AH VARIANTS

BUILT IN BATTERY
MANAGEMENT SYSTEM (BMS)

CAN BE CONFIGURED IN
PARALLEL CONNECTION

RECOMMENDED FOR USE WITH
OTHER REDARC PRODUCTS,
INCLUDING TVMS, BMS & BCDC
3 YEAR WARRANTY

**Available
February
2021!**

NEW PRODUCT RELEASE **LiFePO₄** **Batteries**

REDARC are pleased to announce the launch of a range of 12V Lithium (LiFePO₄) Deep Cycle Batteries targeted towards the caravan, camper trailer, 4WD, off grid and trucking markets.

REDARC Lithium Deep Cycle Batteries are the ultimate in deep-cycle battery technology delivering unrivalled performance and battery life. Each battery is equipped with an internal Battery Management System (BMS) that can monitor and optimize each cell during charge and discharge to protect the battery pack from over charge, over discharge and short circuit. The internal BMS also allows the balancing of cells within the batteries, allowing them to be configured and used in parallel to increase battery bank capacity for increased energy storage.

REDARC Lithium Deep Cycle Batteries are the perfect choice to be used in conjunction with other REDARC products, including RedVision, The Manager30 and BCDC In-Vehicle Chargers, and all Batteries come with a 3-year warranty.

Part Number	Vehicle	Barcode
LBAT12060	12V 60Ah Lithium Deep Cycle Battery	9338628006441
LBAT12100	12V 100Ah Lithium Deep Cycle Battery	9338628006458
LBAT12100-HD	12V 100Ah Lithium Deep Cycle Battery (Heavy Duty)	9338628006465
LBAT12200	12V 200Ah Lithium Deep Cycle Battery	9338628006472
