4K

Introducing the EAGLE-M, the newest addition to our EAGLE range of dash cams. This advanced rearview mirror kit boasts a 4K front camera and an FHD rear camera system. Designed for your peace of mind, the EAGLE-M features Parking Monitoring capability (when paired with a hardwiring kit) to keep an eye on your vehicle even when you're not around. It captures high-quality recordings of road incidents, ensuring every detail is documented accurately, all while functioning seamlessly as a mirror. Additionally, it includes a durable 64GB SanDisk High Endurance micro SD card, specifically engineered to handle the demands of continuous video recording.

With EAGLE, you always have a reliable on road witness.
