LV8120 AC/DC CLAMP METER

- 1000A
- Features: 4000 Digital display counts
- 10 Functions, DCV, ACV, DCA, ACA, resistance, frequency, diode check, continuity test, temperature & duty cycle
- Electronic overload protection
- Continuity buzzer & diode check
- Data hold function
- DCA zero function
- Backlight LCD display
- Auto power off
- Low battery indicator

Includes: - Soft carry case
- Test leads
- Temperature probe
- User manual

LV8121 AC/DC DIGITAL MULTIMETER

- Features: 2000 Digital display counts
- 8 Functions, DCV, ACV, DCA, ACA, resistance, Frequency, diode check & continuity test
- Double molded plastic housing
- Full overload protection on all ranges
- Data hold function
- Backlight LCD display
- Low battery symbol
- Mechanical movement to prevent incorrect connection
- Cat II 1000V protection

Includes: - Test leads
- User manual

LV8122 AC/DC TRUE RMS MULTIMETER

- Features: 4000 Digital display counts
- 10 Functions, DCV, ACV, DCA, ACA, resistance, frequency, diode, continuity test, temperature & duty cycle
- Data hold function
- Continuity buzzer & diode check
- Max min recording mode
- Peak capture mode
- Backlight LCD display
- Auto power off
- Low battery indicator
- IP67 dust & water proof housing
- CAT III 1000V & CAT IV 600V protection

Includes: - Soft carry case
- Test leads
- Temperature probe
- User manual
