

D1

12/24V DIN UHF LMR/CB HYBRID RADIO

Introducing the MGX D1 by Autobacs. A quality crafted LMR ready DIN CB radio to meet the needs of the Australian truckers and machinery operator. Built on the excellence of Japanese technology, the MGX D1 stands as the pinnacle in LMR DIN CB radios, offering the best of all the innovative features the industry has been asking for.

Experience active noise cancelling for crystal-clear communication, dual loudspeakers (in base and microphone), one-touch replay button for missed dialogue, 12/24v compatibility, and LMRready for secured seamless connectivity with licensed frequencies empowering the industry like never before.
