

Synthetic Oil, Ester Oil, Mineral Oil

A20-8967

Compressor Oil 250ml
Compatible with all refrigerants & refrigerant oils

Group 4 synthetic oil

High & Low temperature viscosity retention
Operating range -68°C to +315°C

ariazone

A20-8968

Compressor Oil 500ml
Compatible with all refrigerants & refrigerant oils

Group 4 synthetic oil

High & Low temperature viscosity retention
Operating range -68°C to +315°C

ariazone

A20-8969

Compressor Oil 1 litre
Compatible with all refrigerants & refrigerant oils

Group 4 synthetic oil

High & Low temperature viscosity retention
Operating range -68°C to +315°C

ariazone

A20-8974

Compressor Oil 5 litre
Compatible with all refrigerants & refrigerant oils

Group 4 synthetic oil

High & Low temperature viscosity retention
Operating range -68°C to +315°C

A20-8970

Compressor Oil with Dye 1 litre
Compatible with all refrigerants & refrigerant oils

Group 4 synthetic oil

High & Low temperature viscosity retention
Operating range -68°C to +315°C

ariazone

A20-8933

Polyester Oil 1 litre
Suitable for R12/R134a
Ideal for retrofitting

A20-8934

Polyester Oil 4 litre
Suitable for R12/R134a
Ideal for retrofitting

A20-8954

Mineral Oil 946 ml
