

## Product Release

**WELDEX**  
CORPORATION

# 150W LED HIGH BAY WORKSHOP LIGHT - HIGH TEMPERATURE

### Features:

- Ideal way to upgrade commercial workshops & warehouses
- Plugs into standard 240V socket
- Reduces energy bill as it has low power consumption
- High output CREE LEDs
- Low CO2 emissions, Long lifespan
- Doesn't attract insects
- Operating temp: -10°C to 75°C
- Lumens rating: 17,000 raw, 14,100 effective
- Colour temp: 5000K (Cool White)
- ROHS compliant
- Water resistant IP65 rating

### Specification

Wattage	Input voltage		Weight
150 W	AC 100 ~ 240 (50/60HZ)		6.5kg
Luminous flux	Efficacy	Beam angle	Lifespan
17000lm	96.3lm/w	53.3°	50,000 hrs
IP rating	Color temperature	Dimension	
IP65	5000K (Cool white)	Ø420 x 128(D)mm
