

PRODUCT RELEASE

THE NEW HELLA RALLYE 4000 LED

DESIGNED TO PERFORM, BUILT TO LAST

The new Rallye 4000 LED driving lamp from HELLA combines performance and durability like never before

Available with a spread beam or pencil beam that provides 1 Lux at a range of 800m or 1.3km respectively, the Rallye 4000 LED offers exceptional performance.

With a robust, all-metal, sealed housing that protects against both dust and water ingress – and able to withstand high-pressure washing – its unparalleled durability is where the Rallye 4000 LED really shines.
