7" TITAN SERIES 70W LED DRIVING LIGHT

• 7 x 10 Watt Cree LED's
• 9-32 Volt DC Input Voltage
• 10˚ Beam Pattern
• Heavy Duty 5mm Stainless Steel Mounting Bracket
• Die Cast Aluminium Housing
• Black Powder Coated Finish
• Polycarbonate Lens and Clear Cover
• 200mm Cable with Deutsch Connector
• Includes Security Lock Nut and Security Screws
• Protected Against: RFI/EMC
                           Voltage & Current Surge
                           Reverse Polarity
• IP Rating: 68
• Lumens: 5,700
• Dimensions: 185 x 80mm
• Operating Temperature: -40˚C to +60˚C
• Current Draw: 4.7A @ 12 Volt DC
• Tools for security screws and lock nut included
