PWRMAX

MAX PERFORMANCE AUTOMOTIVE BATTERIES

AMARA RAJA
Gotta be a better way

PWRMAX

When it comes to automotive batteries, there's no room for compromise. **PWRMAX**, made by Amara Raja, is engineered to deliver the highest level of performance and reliability, even in the harshest environments.

WHY CHOOSE PWRMAX?

1. POWERFUL STARTING PERFORMANCE

PWRMAX batteries provide exceptional cranking power, ensuring a reliable start, no matter the temperature or conditions.

2. EXTREME HEAT RESISTANCE

Designed to endure the extreme temperatures of the Australian landscape, PWRMAX batteries are built to withstand the searing heat of the outback.

3. SUPERIOR VIBRATION RESISTANCE

Vibration resistance is vital to a batteries performance. PWRMAX batteries are built tough to handle the shocks and vibrations that come with the worst road conditions.

4. LONG LIFE

Changing your battery too often is inconvenient, especially for drivers in remote areas. PWRMAX batteries are built to last longer, reducing the need for frequent replacements, and ensuring your vehicle stays powered for years.

5. MADE BY AMARA RAJA

A global leader in battery manufacturing, known for durability and quality. The benefits of PWRMAX batteries are proven on the world stage.

6. BACKED BY AN EXTENSIVE WARRANTY

Supported by a national store network:
42 month warranty on standard flooded batteries
30 month warranty on EFB batteries
