

Silver Dynamic AGM

Silver Dynamic AGM 46B24R

By choosing VARTA[®] Silver Dynamic AGM with the most advanced technology, you will get an outstanding battery that is capable of powering the most demanding vehicles and accessories, as it offers three times more endurance than conventional batteries. VARTA[®] Silver Dynamic AGM batteries are perfect for advanced start-stop systems in which the battery needs to be quickly recharged through the energy provided by the regenerative braking systems.

Silver Dynamic AGM Key Benefits

Engineered to the highest German standards.

Patented PowerFrame[®] grid for reliable starting power, fast recharge and corrosion resistance.

"Like-for-like" replacement of the battery sold to the OE channel.

Suitable for all vehicles with start-stop systems – kicks in earlier, works harder, lasts longer (part of OE design ensuring highest fuel savings in start-stop systems).

Silver Dynamic AGM 46B24R Specs

Model:	46B24R
Capacity:	45 Ah
CCA:	370 A
Width:	126 mm
Length:	236 mm
Height:	224 mm
Short Code:	46B24R
