Black cover White cover

Round LED Courtesy / Interior Lamps featuring new slimline design (reduced mounting depth) and advanced lens optics for optimum light distribution. High-intensity variants are three times brighter than standard equivalents. Shockproof, UV-resistant and fully sealed against dust and moisture. Ideal for steps, interior or exterior courtesy lighting as well as storage areas. Optic appears clear until illuminated. Supplied with both black and white rims.

Voltage	12V DC 24V DC
Current draw	50mA
Wattage	0.5W
Mounting	Flush Mount (50mm dia. opening). Reduced mounting depth (16mm) for installation into narrow panels.
Cable Length	12 centimetres
Protection	Fully sealed against dust and moisture to IP6K6 and IP6K7.
