ROADVISION's IL75 Series surface mount interior lamps are super bright, energy efficient and built to go the distance with 100,000hr rated LED life span. Perfect for down light applications, Roadvision's IL75 Series interior lamps feature 12 white LED's and are available with either a white or chrome bezel. With an easy fit surface mount design and no replacement parts or globes, these lamps are the perfect fit and forget interior light solution. With a 70mm diameter bezel, only protruding 14mm from the mounting surface and 3 mounting screws cleverly hidden beneath the bezel they have an attractive flush mount appearance to compliment the interior of any vehicle. Featuring high impact ABS housing and polycarbonate lens, the IL75 Series are built to last.
