ROADVISION's BR201 Series combination trailer lamps! The complete all-in-one fit and forget solution. Roadvision's super bright LED combination lamps deliver the durability of maintenance free LED technology and greater visibility providing increased safety. Roadvision's BR201 Series are the complete all in one solution with Stop, Tail, Indicator & Reverse all in the one lamp. The BR201 Series combination lamps produce more light output than incandescent lamps, whilst drawing a fraction of the current. Couple this with unbreakable polycarbonate lenses and housing, these lamps are weather resistant and totally maintenance free, with a life span rated at 100,000 hours. With ROADVISION it's FIT and FORGET.
