ROADVISION's BR276 Series triple combination trailer lamps are the complete all-in-one fit and forget solution with Stop / Tail, Indicator & Reflector all in the one lamp. Roadvision's super bright LED combination lamps deliver the durability of maintenance free LED technology and greater visibility providing increased safety. The BR276 Series combination lamps produce more light output than incandescent lamps, whilst drawing a fraction of the current. Couple this with unbreakable polycarbonate lenses and an extremely tough housing manufactured from high impact ABS, these lamps are weather resistant and totally maintenance free, with a life span rated at 100,000 hours. With ROADVISION it's FIT and FORGET.
